

The Ryan Wells Foundation would like to thank all of last years' sponsors and players for their participation in our annual golf event. We would like to thank **Innisbrook Resort and Golf Club** for their continued support and hosting of our tournament. This event, along with "Evening with the Chefs" at the Sheraton Sand Key every May, are the foundation's primary fundraisers. With money raised from these events, we have awarded over 40 scholarships to Tarpon, Northeast, Osceola, Dixie Hollins and PTEC students and helped their programs financially. We also secured the naming sponsorship for the "Ryan Wells Kitchen" at the brand new Jacobson Culinary Arts Academy at Tarpon Springs High School.

We'd like to congratulate the JCAA in its opening this past spring. The success of this state of the art facility and program rests in the hands of the supporters who afford these children the opportunity to pursue their dreams and ambitions. Volunteers from all the programs have been an instrumental part of making both our events educational for the students and successfully allowing us to reach our goals.

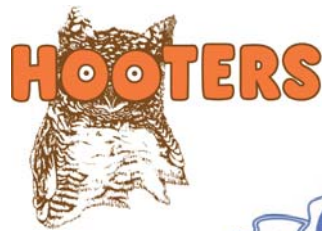

Ryan was a young man committed to helping others make a difference. Our foundation has been established on this principle. We thank all of you for sharing and helping us make Ryan's "Fulfill My Dreams" come true.

Thank You,

Mike Wells  
President
